

### **What happens if I don't raise the \$500 I have committed to?**

If you are unable to raise the minimum \$500, CALICO will bill you the amount that we paid to cover your registration costs. Because you are registered to run for a charity team you will be billed at the lowest rate.

### **I'm on a relay team, what does that mean for fundraising?**

Relay teams are asked to either pay \$300 up front or raise a total of \$2,000 (or \$500 per runner). As with all other races, if the team doesn't raise this amount they will be asked to reimburse CALICO the cost of the race registration.

### **I want to run with my child, who is under 18, does he/she have to raise \$500?**

Runners under 18 years of age are asked to raise at least \$50 to cover the cost of their registration.

### **I already registered through the Oakland Running Festival, can I change my registration to be on Team CALICO?**

While we may not be able to officially switch your registration to Team CALICO, you can still raise money for CALICO. And if you raise the \$500 minimum we will reimburse you the lowest cost of race registration. You will still receive a CALICO t-shirt and all the perks of being on Team CALICO. Please contact [run@calicocenter.org](mailto:run@calicocenter.org) for more information.

### **What races can I run and be a part of Team CALICO?**

All of them! Runners can choose to run the Marathon, Half Marathon, 5K, Relay, Corporate Cup or Kids' Fun Run.

### **Can I walk a race?**

Absolutely! Every year we have many Team CALICO members who walk the 5K.

### **How do I pick up my official Team CALICO shirt?**

The day of the Expo at the Marriot in downtown Oakland CALICO will host a team party where you can pick up your official Team CALICO shirt. The exact time and location will be emailed out to all Team CALICO runners. If you can't make the time please email [run@calicocenter.org](mailto:run@calicocenter.org) to organize an alternative plan.

**I don't want to fundraise money, I just want to wear the shirt to support your cause. Can I do that?**

While we appreciate all community support, we really encourage Team CALICO runners to work as hard as they can to raise the \$500. CALICO is a non-profit and the Oakland Running Festival is one of our major yearly fundraisers. We depend on this money to help offer services to abused children and their families.
